RE: AUCTION held on April 17, 2004

This was the Spring Multi Case Auction that had been highly anticipated. It was a very large Auction that took several months of preparation. It began with retrieval of equipment. Items were brought in from all over the region. Over 70 Cases & Consignors were brought together to share in the advertising and exposure.

Advertising began several weeks prior to the auction. It targeted a variety of buyers that would be interested in the type of items that were being sold. A broad range of media was used including: Newspapers, Classified Journals, Trade Journals, TV, Brochures, Targeted Mailing Lists, Internet Listings, National Internet Web Sights, Opt in Email Lists, & Catalogs.

The old Fred Meyer building was rented to house this large event and ad exposure. The setup at the facility began four weeks prior to auction day. Special care was taken to clean and line up equipment in an attractive manner. It took a sizeable crew to handle all aspects of the setup and cataloging.

Many Vehicles and RV's were titled and this took a lot of preparation from the office staff. These were all organized prior to the auction and special circumstances taken care of. Permits for off site auction was purchased, everything was in place.

Preview was held on Friday with several hundred people taking the opportunity to inspect, register to bid, and ask questions. Catalogs and the order of the auction were available for potential buyers.

Auction day came and the crowds gathered. The event generated a huge amount of interest with a total of 684 registered bidders from all over Idaho and many other states. The bidding was very competitive. All items demanded fair market value and were sold to the highest bidder.

Sincerely

Juan Hernandez
